A Campaign for Better Roads

We are campaigning for:

1) The Glossop Spur Road and A57/A628 Bypass to be completed by 2006/2007.

2) A commitment by the Council for the better management of road works affecting the residents of Glossop, Hadfield and Padfield.

If you would like to take part in this campaign, you can complete the petition form on the Internet at <http://www.GlossopSpur.com/> or else you can get a paper copy of the petition form from local shops and businesses that display this poster in their window.
